THE TERRENCE HIGGINS TRUST

A registered charity to inform, advise and help on A.I.D.S. (Acquired Immune Deficiency Syndrome).

AIDS & YOU...

AIDS Affects US All:

It affects men, women and children.
AIDS has changed US, what we think,
what we feel, what we are.
AIDS has caused fear, guilt and anger.

AIDS and GAY MEN

AIDS is something we live with and
something we challenge.
As Gay Men we are meeting this challenge
by learning the facts of AIDS, with each
other's help, working out our fears.
The issues of AIDS are far-reaching and
there is still much to be done.

THE FUTURE

We can aim to learn about the FACTS,
discuss our FEARS, talk to one another
about AIDS and HTLV-III VIRUS, SEX and
OUR HEALTH.

THE TERRENCE HIGGINS TRUST

The aim of The Trust is to provide support
and advice on AIDS. We want YOU to
become aware of the facts and issues
surrounding AIDS.

The Trust helps everyone affected by
AIDS, anyone who is worried, who needs
support and requires advice.

KNOW THE FACTS

If you want to know more about AIDS, The
Trust has a number of leaflets which
provide up to date medical information
and advice.

Please write to us at the address below
and enclose a 9" x 4" envelope, (stamped
24p).

GIVE US A RING

We have a telephone Helpline if you need
help and advice on AIDS. Give us a call on
01-833 2971.

CAN YOU HELP?

The Trust is a voluntary organisation with 300 people
who give their time and expertise to provide a Service
and Helpline for people with AIDS.
Volunteers are not paid and provide their services free.
